Summer School 2023 "Quantum Technologies"

This is to certify that

Elias Bitsch

from UAS Technikum Wien

has participated in the Quantum Technologies Summer School held in Vienna from August 21, 2023 to August 25, 2023 organized by the University of Applied Sciences (UAS) Technikum Wien and the Slovak Academy of Sciences.

The Summer School consisted of a theoretical part (lectures on quantum computing and quantum cryptography) and a practical part (projects on programming quantum algorithms, quantum key distribution with BB84 protocol, Quantum Random Number generators and Bell test experiment). The total workload was 75 hrs.

UAS Technikum Wien awards for the successful completion of the Summer School 3 ECTS-Points according to the European Credit Transfer and Accumulation System.
